MONTHLY ADVENTURES!

JUNE 2022

Monthly News

VOLUNTEER OF THE MONTH

Jane is our all around SUPERSTAR of a volunteer. Jane will do anything and everything that is asked of her and more. She assists in the barn when we are short handed, she leads lessons, the liaison between new clients and instructors and doctors offices, campers and the camp counselors, the follow up phone, form creator, official laminator, keeper of the team meeting minutes, the Tech guru for the barn staff that can never find the needed forms and so much more!!!! Jane was incredibly instrumental in our move from Hopkinton to Warner. She helped create charts and forms to keep us organized, she unpacked and repacked the moving pods, assisted in cleaning out the hay loft and filling the dumpster, kept the office up and running while we were midmove and had no internet or phone. She was present at both farms EVERYDAY during the move. She went above and beyond her usual duties and gave up so much of her personal time.

STAFF HIGHLIGHT

Emily has been with Back In The Saddle for a little over two years now. She does anything that we need her to! She works on our website, does the schedule for our summer camp, she helps with the SOAR program, helps to run our fundraisers, does our grant writing and anything else we ask her to. She lived in Concord for two years but recently she moved to Utah. Not only has she stayed on board with BITS from Utah

but she has flown back to NH twice, once to help run the Gala then again in May to help us move! She plans on flying back for our annual Halloween event as well! She has been a huge asset to BITS and we are all so grateful to have her as part of our BITS family.
