# MONTHLY ADVENTURES!

SEPTEMBER 2022

# THE MONTHLY NEWS

## REMEMBERING PRETZEL

It is with a heavy heart that we write to tell you all, our beloved Pretzel crossed over the rainbow bridge this past month. He was the sweetest pony who brought SO much joy to any and everyone that met him. He started his life with the Amish, moved on to a wonderful family with two children before landing here at BITS ETC, where he helped countless children learn the wonder of horses! Pretzel passed peacefully on his own, at farm, in the arms of people who loved and cared for him. We are so grateful for the work that this “barn unicorn” did for so many members of the community. You will be missed Pretzel!

## VOLUNTEER OF THE MONTH

Congratulations Anna for being our volunteer of the month! Anna does anything and everything, from feeding horses, warming them up for lessons, leading lessons, muck the stalls... you name it. Anna put in very long days this summer to assist with the SOAR program. Anna is kind, supportive and so helpful. Anna has been volunteering at BITS since July 2023, and we are so grateful for her!
