BACK IN THE SADDLE EQUINE THERAPY CENTER'S  
6TH ANNUAL

## RED, WHITE, AND BLUE GOLF TOURNAMENT

Friday, July 12th at Duston Country Club  
Hopkinton, NH

603-456-2761

info@bitsetc.org

5 Poverty Plains Road, Warner, NH

# Herd Updates

**Sweet ol' Brady has officially and permanently retired from riding 😊**

A big Thanks to Annie and Rhapsody Farm for allowing us to use him in our program and to Brady for being so kind and sweet to any all persons that had the opportunity to interact with him! Enjoy your days of grazing in the sun!

**Patty has started a relaxing retirement!**

*Sweet Patty has retired from our program and is settled in at her new retirement home in Weare! It's a gorgeous spot where she'll be living out her golden years with another semi-retired gelding named Vinnie!*

# Volunteer of the Month

## Madison

Madison volunteers afterschool to assist with evening chores and getting horses ready for the afternoon lessons. Madison is consistent and reliable. She shows up weekly and with each time gains more confidence to work independently, check off items off the task list and try new things out! She is a great asset to the Monday afternoon crew.

# Fun at the Farm

## Eclipse on the Farm

We were not in the path of totality but outside at the barn was amazing on the Lunar Eclipse day. It was a great day for riding and Mason's first day back at work!

Spring is in the air!

## Easter in Action..

Easter fun! We had the barrel as the bunny nose, the ground poles as the whiskers and the cones as bunny ears! Our little riders had a fantastic time following the bunny trail!

## Gala Success!

*The BITS Equine Therapy Center 3rd Annual Boots N Bling Gala took place on April 6, 2024 at the Grappone Center. We are ever so grateful for the showing of support - by attending, sponsoring, advertising, donating, or all of the above.*

*We rely heavily on our annual fundraising activities to keep our programs going and our herd healthy and happy. We hope you can join us again next year!*

## Equine First Aid Certification

*Equine 1st Aid class taught by Myriam from Allspark Hill Animal First Aid. A big thanks to all that signed up and as always a thanks to our amazing herd that tolerated being poked and prodded and all wrapped up!*

# HORSE OF THE MONTH MASON

Mason Update! Our lovely boy is back at work and not without all the love and support from you throughout the ordeal. We are beyond grateful for the many hands and generous donation that reached us to help him overcome!

*We know times are tough* so we only offer the opportunity to support a horse through sponsorship. If you can and would like to help fund the care for our herd, every dollar counts. All contributions help cover costs of hay, vet care, chiropractor, grain, etc. [Sponsor here!](#)

Your name or company will be included on the thank you from us on our social media. All donations are tax deductible.
